## ABOUT US

The mission of Thursday's Child is to develop, to coordinate, and to provide services for People Living with or affected by HIV/AIDS on Long Island.

Please contact us if you would like a presentation about services or "HIV 101" health literacy. We have speakers for community outreach/events, health care facilities, substance abuse treatment groups, faith communities, schools, and more. Together, we can end the epidemic!

As of 2021, we are proud to be an affiliate of  
AIDS Healthcare Foundation

## OUR SERVICES

### HIV TESTING

Free rapid result HIV testing. Knowing your status is everything. Caring and understanding staff are available to address your concerns and your prevention needs.

Referrals to services such as PrEP and free condom packages are available. No insurance needed. 100% confidential. Office hours in Patchogue and mobile-based if requested.

### RYAN WHITE PROGRAMS

Thursday's Child has programs that provide linkages to HIV care and other supportive services. There is a specialty service for folks newly diagnosed HIV+ or those who have been out-of-care. We can help address concerns impacting medical care. Sometimes issues like housing, food, insurance, transportation, benefits, and managing multiple appointments can make things difficult. We are here to help and offer possible solutions. Think of us as your "navigation" to help guide you to your goal.

### SAFETY NET

Thursday's Child "Safety Net" program provides various direct assistance for essentials such as food, personal care supplies, transportation, clothing, and other needs.
